

Odisha AI Mission Portal

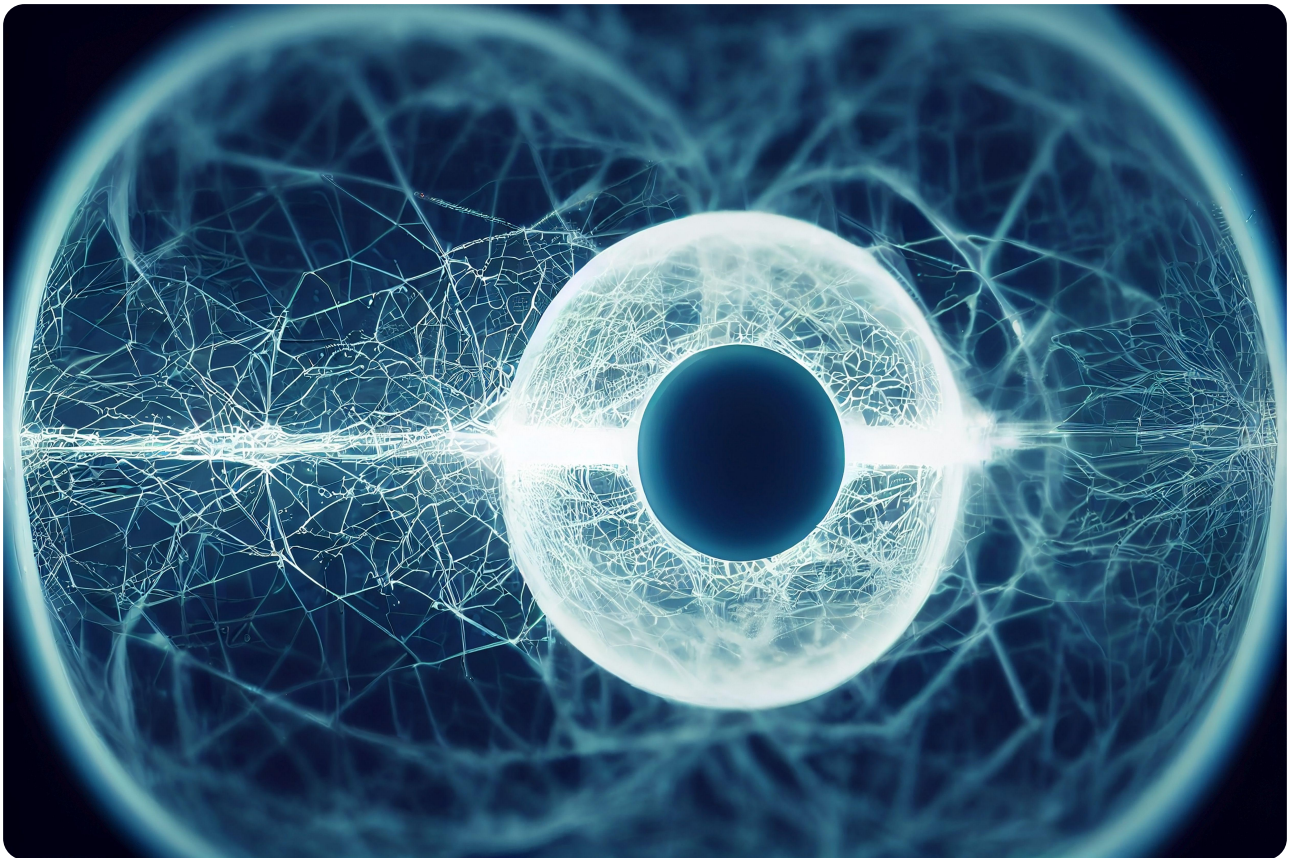

Statewide AI ecosystem connecting startups, research labs, government and citizens.

100+ startups onboarded

Sandbox launched

Policy intelligence reports

CLIENT	Odisha AI Mission, OCAC
YEAR	2025
DURATION	6 months
CATEGORY	Artificial Intelligence

Problem

Lack of a single window for AI policy, startup grants and research collaboration in the state.

Solution

APPROACH

Built the official AI Mission portal with proposal workflows, sandbox listings and intelligence reports.

Impact

OUTCOME

Catalysed AI innovation, partnerships and capacity-building across departments.
