Admissions workflow

CLIENT	State Institute of Design and Craft, Odisha
YEAR	2023
DURATION	4 months
CATEGORY	Handicrafts & Design

## Problem

---

### CHALLENGE

Limited visibility and outdated information dissemination hindered student and partner outreach.

## Solution

---

### APPROACH

Designed a modern CMS-based website covering courses, faculty, alumni, craft archives and admissions.

## Impact

---

### OUTCOME

Elevated the institute's digital presence and streamlined admissions enquiries from across the country.
