

Government Department Web Portals

Modern, accessible web portals built for multiple Government departments — GIGW & WCAG 2.1 AA compliant.

GIGW Compliant

WCAG 2.1 AA

Multi-lingual

CLIENT	Multiple Departments, Govt. of Odisha
YEAR	2021–Present
DURATION	Ongoing
CATEGORY	Digital Governance

Problem

CHALLENGE

Outdated, non-responsive departmental websites limited citizen reach and accessibility.

Solution

APPROACH

Designed and continue to maintain modern department portals with CMS, multilingual support, dashboards and citizen services.

Impact

OUTCOME

Improved citizen access, lower bounce rates, higher service discovery across department portals.
